

Patient Referral Request Form

Take this form to your GP to request a referral through the NHS e-Referral Service as part of your legal Right to Choose.

As part of the Right to Choose scheme – I would like to be referred to HealthHarmonie Minds for my ADHD diagnosis.

HealthHarmonie Minds is part of the Medinet Group, which has been supporting the NHS for over 20 years and have already contributed to safely treating over 500,000 patients annually across community and hospital settings.

For more information on HealthHarmonie Minds, or getting a referral, you can either scan the QR code or visit:

<https://www.healthharmonieminds.co.uk/>

For GP Practices

A safer, faster, and more reliable referral process

Minimal wait times

Why Use e-RS for NHS Referrals?

- Preferred method for NHS referrals
- Secure handling of all referral data
- Trackable journey: Enables full audit history & patient progress tracking
- NHS-compliant: Follows national referral pathways & supports guideline adherence
- Nationwide access: Patients from anywhere in England can be referred (must be GP-registered)

Step-by-Step e-RS Referral Instructions

Use the following criteria when submitting a referral:

Field	Input
Referring Clinician	→ Clinician Name (only for admin users)
Request Type	→ Referral
Priority	→ Routine
Specialty	→ Mental Health – Adults of all ages
Clinic Type	→ Not Otherwise Specified
